Project Summary

Medaware

by   Haas, Clarissa
     Patak, Rastislav
     Sam, Elias
     Wyrwas, Piotr

About Us

The team behind *Medaware* is a diverse group of engineers and designers, each contributing unique skills to the project. We strive to crete a seamless, user-friendly solution focused on improving the medical status quo and enhancing the exchange of information between healthcare professionals and the public. As a team, we work collaborate exceptionally well. Everyone's opinions are values, and we're always aligned, whether it's solving complex problems or brainstorming new ideas. Our strong support for each other makes collaboration feel natural and effortless.
